Artists and Prostitutes, David LaChapelle Valued at \$4000

Donated by the artist. Limited edition of 2,500 copies worldwide, numbered and signed by the artist. Celebrating the visionary LaChapelle's truly extraordinary photography, this 698-page, XL-sized book is packed cover-to-cover with vibrant full-bleed images; the best of his entire career to date. Bursting at the seams with spectacle and drama, and saturated with colors that only LaChapelle can realize, this limited edition pays tribute to the most daring and ambitious photographer in the history of portraiture. All color illustrations are color-separated and reproduced in Pan4C, the finest reproduction technique available today, which provides unequalled intensity and color range.

The Lower Eastside Girls Club provides a place where girls and young women ages 8-23 can grow, learn, have fun, and develop confidence in themselves and their ability to make a difference in the world. By delivering strong arts, literacy, science, health and leadership programs we provide girls with the vision to plan – and the tools to build – their future. All Girls Club programs develop environmental, entrepreneurial and ethical leadership in the girls we serve.
